Hinweise zum Drucken:

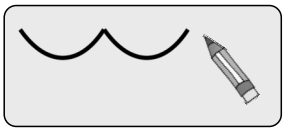
Vor dem Ausdrucken sollte die Datei erst über den „Pfeil“ oder rechter Mausklick und „Datei speichern“ auf die eigene Festplatte herunter geladen werden und von dort neu wieder geöffnet werden. So entstehen weniger Probleme und die Datei wird korrekt angezeigt sowie gedruckt.
Beim Drucken „tatsächliche Größe“ auswählen, damit die Legekarten zueinander passen.

Hinweise zur Wortauswahl:

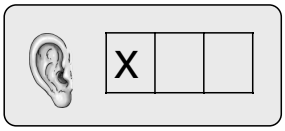
Aus dem Grundwortschatz NRW der Qualitäts- und UnterstützungsAgentur - Landesinstitut für Schule wurden Nomen ausgewählt, die sich anhand des Fresch Wörterbuchs vom Klett Verlag zur Strategie Schwingen zuordnen lassen und von denen eine Illustration im Grundwortschatz des Worksheet Crafters vorhanden war (Ausnahme: alle Kontinente, vier-silbrige Wörter). Diese Wörter wurden wiederum unterteilt in

1 Stern: lautgetreue Wörter mit den Vokalen A, E, I, O U
2 Sterne: lautgetreue Wörter mit Doppellauten (Au, Ei, Eu) und Umlauten (Ä, Ö, Ü)
3 Sterne: lautgetreue Wörter mit seltenen Buchstaben (x, ...) und Buchstabenverbindungen (ch, sch, pf, ng, tz, ...)
4 Sterne: lautgetreue Wörter mit ie, St/Sp am Wortanfang, er am Wortende, Wörter mit ck

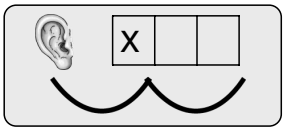
Aufgabe: Schreiben des Wortes in fünf Schritten



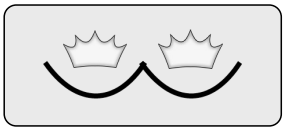
1. Silbenschwingen und Silbenbögen zeichnen



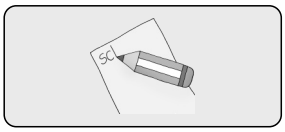
2. Anlaut aufschreiben



3. Anlaut zu jeder Silbe aufschreiben



4. Silbenkönige zu jeder Silbe aufschreiben



5. Wort aufschreiben
